## SIMPLE REMEDY FOR CATARRH

Just Breathe Hyomei Four Times a Day and Be Cured.

If a few years ago someone had said you can cure catarrh by breathing air charged with a healing balsam the idea would have been ridiculed, and it remained for that eminent investigator, R. T. Booth, to discover in Hyomei this method.

Hyomei has performed almost miraculous cures of catarrh, and is today recognized by leading members of the medical profession as the only advertised remedy that can be relied upon to do just what it claims. The complete outfit of Hyomei costs \$1.00 and consists of an inhaler, a medicine dropper and a bottle of Hyomei.

Breathe Hyomei through the inhaler for a few minutes four times a day and it will cure the worst case of catarrh. It soothes and heals the mucous membrane of the air passages, prevents irritation and effects a complete and lasting cure.

In Barre there are scores of well-known people who have been cured of catarrh by Hyomei. If it does not cure you, Rickert & Wells of the Red Cross Pharmacy will return the money you pay for Hyomei. This is the strongest evidence that can be offered as to their faith in the remedy.

Of all the dramatic successes known, there are none that equal this great play. It is established in popular favor here as well as everywhere else, and needs no endorsement from any other cities.
